## We are becoming.....

At St. Peter's we are always "becoming." A "destination" is not our goal as disciples of Jesus Christ; our goal is our means of discipleship.

We are always growing in faith and understanding; we are always growing in love and grace; we are always growing in awareness of being the whole Body of Christ.

As we continue to pursue our forward-thinking, while honoring our past, we will forever be unfolding ourselves as a Missio Dei congregation—disciples, participants in God's mission to reclaim the world with love. As we are this...as we become this, we are forever changing.

Together we walk the Gospel road seeking to become the people that God created us to be.

Yours In Christ,

Rev. David Mercer
